

AI-Flow:

Front-Demo:

The Front-Demo interface consists of a voice input form on the left and a data table on the right. The voice input form has a title '语音输入' (Voice Input) and a text area containing '昨天吃牛肉面花了15块钱。' (I spent 15 yuan on beef noodles yesterday). Below the text area is a green button labeled '开始录音' (Start Recording) and a note '点击按钮开始语音输入' (Click the button to start voice input). The data table on the right has columns: '名称' (Name), '状态' (Status), '类型' (Type), '发起程序' (Initiated Program), '大小' (Size), '时间' (Time), and '履行者' (Executor). The table contains several rows of data, including 'default_config.json', 'default_config.json', 'locales.json', 'locales.json', 'content.css', and several 'App.vue' files.
